This pageant is designed to identify young women in the community who exemplify leadership, service, and motivation while celebrating Black excellence.

The pageant presents an opportunity for community integration and the celebration of diverse talent and beauty.

Our goal is to provide resources that result in equity in education and academic excellence for Black students in the Los Angeles area.

We promote and uphold academic excellence through community outreach, coaching and scholarship.

We encourage pride, respect and honor for ourselves, our community, our ancestors, and our education.

Sponsorship is the fastest growing form of marketing in the U.S. It provides a means of broadening your competitive edge by cultivating your company's image, prestige, and credibility.

It is an excellent way of increasing brand awareness, which can help generate consumer preference, foster brand loyalty, create positive PR, and raise awareness of your organization.
